Behind our commitment to support your organisation are a set of values that are embedded in our culture. This ensures you receive the best possible service at every stage

CORE BUSINESS VALUES

- Give priority to tasks that contribute to your bottom line
- You will always be in control, at every stage
- Our advisers will always recognise and respect the fact that we are there to support your business, your staff your customers
- Committed to following the IBC code of practice
- Base all recommendations on solid validated evidence
- We are not generalists or academics. We will deliver pragmatic solutions by utilising the appropriate mature advisers who have specialist skills and experience
- We will never over promise and always find an adviser with the appropriate relevant skills
- Every service we provide will have a standard format and a documented methodology. We do not make it up as we go along
- Every assignment will deliver a weekly report and a regular monthly review (subject to the length and complexity of the assignment)
- Respect your confidentiality and IPR

ANDANTE [UK] Ltd can provide specialist assistance within these areas of your business

- Grants and Funding
- Your Customers Journey
- Contact Centres
- Marketing & Communications
- Sales Execution
- Service/Product Delivery
- Customer Care
- Product Development
- Telecommunications Planning
- e-Commerce Strategy
- Leadership & Motivation
- Interim Management
- Mergers and Acquisitions
- Business Transformation
- Risk Assessment & ISO9000

None of our advisors are generalists each one specialises in their own particular discipline

Serving both the Private & Public Sector

Patrick A. Lorenz, Owner, PGK Software & Communication GmbH said:-

"I worked with the consultant from Andante on a couple of projects. He made things easy for all of us. He knows how to deal with people, to organize them and to translate between technical and executive stuff even if it gets complicated. He can handle complex projects in political scenarios and is able to mediate through his calm and always solution oriented manner."
