

Grants Funding & Professional Services

COMMON GROUND WE SHARE WITH YOU

We are always looking for the following kinds of business.

SME's that can prove they are growing and creating or retaining jobs

Manufacturing companies that need additional funding for procuring new plant, re-tooling, buying land or new premises

Research and development companies involved in innovation and delivering new products to market

Every time we meet a company considering grants and funding options we find opportunity for you

Also any discussion about FREE money in the form of a GRANT is a GREAT DOOR OPENER!

We help SME's with Grants and Funding
